Eric Noce

115 Thomson Creek Blvd   Vaughan, ON L4H 1B6
647-648-5515   ericnoce8@gmail.com

Objective

A position within the field of game art and design where a special ability to create characters and assets by hand and using Photoshop, Illustrator, and 3D software programs is required.

Highlights of Qualifications

- Passion for drawing, colouring, and creating original characters
- Highly interested in video games and creative arts
- Extremely comfortable with Adobe Photoshop, Illustrator, Maya, and ZBrush
- Strong ability to accept, and apply, constructive feedback
- Successful in working effectively as a group and independently
- Accepted and provided constructive feedback while working on school projects

Education

Video Game Design Technologies + Internship Diploma, triOS College, Ontario   In progress

Ontario Secondary School Diploma, Emily Carr Secondary School, Ontario   2014-2018

Relevant Skills

Technical Skills
- Illustrated and coloured several character artworks using Adobe Illustrator and Photoshop
- Created an opening animation for my website using Illustrator, Photoshop, Maya, and After Effects
- Modeled and applied shaders to basic models in Maya, 3DS Max, and ZBrush
- Prepared visually compelling renders of 3D models using Maya and 3DS Max

Soft Skills
- Planned and managed resources to achieve great success
- Achieved the honour roll throughout high school
- Recognized for perfect attendance throughout the current duration of my post-secondary studies
- Hard working at school and work
- Highly punctual and easily able to meet deadlines

Teamwork
- Collaborated and established relationships with my co-workers at Longos
- Collaborated and established relationships with classmates and instructors as a student at triOS College
- Assisted a partner in putting together a promotional video for Emily Carr Secondary School
